DIG → PRINT

love searching websites of mugshots. I'd
like a huge book of mugshots sorted by
etc, then alpha within the states

ps- I actually found a
close friend from high school...

PRINT - DIG:

anything relating to travel - Michelin, Fodor's, etc.

name

Kathy Fredrickson.

simple print → digital (could be both) Handwriting
FONTS
i'd love to see more examples
of beautiful handwriting in digital fonts,
that could also be used in print.

so inspired about handwriting in temp tattoos, too
